Sorry, I am not great with sharepoint. What is the page name? I tried searching the site for 'Spanish' and couldn't find it.

Actually, since we are still revising to address OGC comments, lets just bring him the one with Erin Koch's notes. That should be in sharepoint or in the meeting invite from last week.

The translation guide is in sharepoint.

I can talk about the progress of the deliverables and Christina you can talk about the outreach. Does that work? Then I can talk about the next steps.

I printed a few copies of the handout, but can you print a copy of the translation and submission guide for Rick? I have my own copy.

Thanks,  
Jose

Thanks for the edits Linda. Anything else Jose?

If not, let's print it out along with a few copies of the submission guide and the translation guide.

Do we want to meet briefly before the meeting to divide up talking points?

Hi Linda,  
Christina put this handout together for today's meeting with Rick. Please let us know if you think we should change anything. Thanks!
